Karrieri Newsletter Issue 06

After discussing the different types of transferable and hard skills in our last issue, we are now going to discuss what other skills and competencies can be mentioned in the CV, as well as the importance of giving proof that you actually have such skills and in what way you have gained them. In our "A Day in the Life of..." series, we delve into the life of Anna Maria Grech, whose career as a Youth Worker involves managing the Mosta Youth Empowerment Centre, amongst many other things! Last but not least, our featured Career of the Month is that of Fashion Designer...check out the Karrieri interview with Fiona Maria Vella, a prestigious local Fashion Designer, to learn more about this challenging and creative career!

Fashion Designer

Fashion Design presents a challenging and demanding career in an extremely competitive industry. The work of the Fashion Designer involves drawing sketches, developing patterns and producing samples of their work. It is a career which requires creativity, originality, a very good understanding of the fashion industry as well as knowledge of textiles, materials, colour and design. Fiona Maria Vella speaks to us about her career in Fashion Design. [Read more »](#)

Inspiring quotes

"Everyone has his own specific vocation or mission in life. Therein he cannot be replaced, nor can his life be repeated. Thus, everyone's task is as unique as is his specific opportunity to implement it", Viktor Frankl (Austrian Neurologist & Psychiatrist, and Holocaust survivor).

"When one door closes, another opens. But we often look so regretfully upon the closed door that we don't see the one that has opened for us", Alexander Graham Bell (Scientist, Inventor, Engineer and Innovator).
